**REPORT OF THE TRUSTEES**  
**FOR THE YEAR ENDED 31 MARCH 2022**

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 March 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

**OBJECTIVES AND ACTIVITIES**

**Objectives and aims**

The trust is an Ecumenical Youth Work Charity, sponsored by the Blackpool Town Centre Churches, working with young people in the centre of the town. In planning the activities of the Trust for the year, the trustees have referred to the Charity Commission's guidance on public benefit and are satisfied they meet the requirements. The aims of the Trust, as laid down in the Trust Document are:-

- a) To assist young people to reach full maturity as individuals.
- b) To improve their conditions of life.
- c) To help them reach their full physical, mental, emotional and spiritual potential based upon a Christian ethos \*

\* Christian ethos - Streetlife is run according to Christian principles. Its aim is to support young people through Christian love, care and concern, irrespective of individual beliefs. Streetlife is part of the local churches service to the local community.

**Significant activities**

The financial year of 2021/22 began with a slow return to normal from the pandemic with some interruptions occurring during the summer months due to staff and volunteers catching Covid and having to isolate.

Angus Lawson provided funds so that we could continue our 24/7 opening hours for a further 3 months enabling us to continue supporting young people until the end of June 2021.

The Young Adder project has produced some great results in helping many young people on its programme and the Futures Looking Good Project from Comic Relief has seen 15 young people sign up to The Duke of Edinburgh Award scheme with 5 of them obtaining full Bronze awards in October 2021.

Amongst many other success stories of what we have achieved this year, another significant one is the launch of a book 'Stories From The Street' written by young people going through tough times and how they moved on. A collection of work facilitated by a local poet, author and youth worker, Nathan Parker to celebrate the work of Streetlife.

We managed to hold our postponed 'Sleepout' in October 2021, despite many supporters still cautious about the covid virus we had 64 people attend which raised £15,000. Following this our 'Annual Sleepout' resumed in March 2022 with 80 people sleeping out including, for the first time, some of the young people we have supported who wanted to give something back by helping to raise funds. Total raised £18,500. This gave us a total of £33,500 in this financial year.

**OBJECTIVES AND ACTIVITIES**

**Significant activities**

Brexit and Covid 19 have presented problems for overseas volunteers obtaining visas, as we rely on these volunteers to run the night shelter we have had to use funds to employ staff to fill these gaps.

During this financial year we have said farewell to 5 of our Trustees:-

- Rev Linda Tomkinson as her role at Freedom Church is becoming more demanding.
- Rev Steve Haskett who has changed roles and has embarked upon a new challenge.
- Rev Steven Dunn who has moved out of the area to Great Eccleston.
- Linda Markey who has retired and has other personal commitments.
- Brian Taylor, our treasurer, sadly and suddenly passed away on 30th December 2021. Brian was a huge asset to Streetlife and he had supported the Charity for many years. We miss him very much and send our sincere condolences to his family.

Streetlife give thanks to all of these people for their input over the years.

HSBC awarded Streetlife with a grant of £24K to make improvements to the back yard area which gave us a great transformation and looks more welcoming and attractive to sit out there.

We are moving into 2022/23 with a cautious financial outlook as several funds are due to finish during 2023 so there will be a focus on finding new funds. We have formed a 'Friends of Streetlife' group who we hope are going to help us raise awareness and funds throughout the coming year.

As ever we are extremely grateful to all our valued volunteers who give of their time freely, to the staff whose commitment and dedication is much appreciated, to the local schools, churches and businesses who support our work as well as all the individuals who donate time, money and gifts.

**STRUCTURE, GOVERNANCE AND MANAGEMENT**

**Reserves policy**

The charity operates a reserves policy which aims to cover estimated closure costs in the event that the charity has to cease its activities. The Trustees estimate that those costs could amount to £105,000.

In addition, the Trustees consider it prudent to retain additional funds to ensure that, should a source of income not be immediately renewed, funds are available to cover short term operating costs until alternative funding is received. Such funds would enable the charity to retain the services of experienced staff in the short term. The Trustees consider that the reserves in excess of £105,000 would cover such costs.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF  
THE STREETLIFE TRUST LIMITED**

**Independent examiner's report to the trustees of The Streetlife Trust Limited ('the Company')**

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 March 2022.

**Responsibilities and basis of report**

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

**Independent examiner's statement**

Since your charity's gross income exceeded £250,000 your examiner must be a member of a listed body. I can confirm that I am qualified to undertake the examination because I am a registered member of Institute of Chartered Accountants in England and Wales which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**15. RELATED PARTY DISCLOSURES**

There were no related party transactions for the year ended 31 March 2022.

**16. RESTRICTED FUNDS**

Restricted funds are monies received for which the use is restricted for a particular purpose.

Restricted funds of the Streetlife Trust and their purpose are as follows:-

**Comic Relief Fund**

We were awarded three years funding to work with young people aged 20 and under, to encourage young people's involvement in Social Action. We will be aiming to support young people to gain a Duke of Edinburgh Award as part of this process. The project started in March 2018.

**Lottery, Reaching Communities**

Streetlife received an initial four year grant from the Lottery to commence on 1st May 2015 and this was renewed for a further four years. This grant allows Streetlife to employ a Counsellor, Life skills worker and Shelter Team Leader. It also contributes a significant amount towards overheads and activities with young people.

**16. RESTRICTED FUNDS - continued**

**Frontline Network**

In September 2017, Streetlife was appointed as a two year pilot project to develop the Frontline Network in Blackpool. After a successful start, a three year extension was granted in September 2019. This is funded by St Martin's in the Field in London, they have set up ten pilot projects across the country. We have appointed a part-time worker to implement this work and a second worker to provide additional support part-time.

**Segelman Trust**

Segelman Trust awarded a 3 year grant to employ a Volunteer Co-ordinator. The role will enable improvement of volunteer recruitment and retention, ensuring all of our volunteers are recognised and valued at our annual volunteer celebration. This fund was awarded in September 2018. This fund was awarded in September 2018 and extended until August 2022 using furlough funds.

**Young Adder**

Restricted fund from Public Health Blackpool. Streetlife is leading on this project until 31.3.23. Young Adder provides diversionary meaningful activities and intensive support for young people with multiple disadvantages who are engaged in substance misuse and criminal activity.

**Comic Relief - Future Looking Good**

A project that provides advocacy and personal development opportunities for those hardest to reach; with a focus on reforming adverse childhood experiences.

**Tackling Inequalities**

A fund that was initially to be spent by the end of March 2021 but has been extended due to Covid until end of September. Tackling Inequalities is funding from Active Lancashire and was awarded to enable young people to have access to physical training, either in a gym environment or other informal setting and provide them with sports clothing if necessary. The fund will also provide training for a staff member and volunteers to become fitness trainers to coach the young people.

**Angus Lawson**

This is a separate restricted fund. Angus Lawson awarded this funding to enable Streetlife to continue providing the 24 hour access due to Covid restrictions (initially provided by Homeless Link ) for the months April, May and June 2021 but they sent the money over at the end of March.
